# REPORT

OF THE

## COMMITTEE ON FINANCE.

---

THE Joint Standing Committee on Finance, in conformity with the requirements of the Ordinance prescribing their duties, "establishing a system of accountability in the expenditures of the city," submit to the City Council their Annual Report of the Receipts and Expenditures of the financial year, ending February 1, 1863.

We have examined the Treasurer's books, and those of the City Clerk, and find that all payments therein recorded are duly authenticated with appropriate vouchers, and that the several items, footings and balances are correctly cast, and stated, and that the books of those officers have been faithfully kept, and with a system that cannot fail to give satisfaction to the tax-payers of the city.

	<u>576 74</u>	
Balance in favor of team,		<u>\$148 26</u>

Respectfully submitted,

MOSES HUMPHREY, SUPERINTENDENT.

# TENTH ANNUAL REPORT

OF THE

## COMMITTEE ON THE CITY FARM.

---

*To His Honor the Mayor, and the Board of Aldermen of the City of Concord :*

The undersigned, Joint Standing Committee on the City Farm, having attended to the duty of taking an inventory of the property of the Farm, respectfully submit the following Tenth Annual Report :

Appraised value of farm and buildings in 1862,	\$8.000 00
Appraised value of personal property in 1862,	2.537 39
	<hr/>
Total,	\$10.537 39
Appraised value of farm and buildings in 1863,	\$8.000 00
Appraised value of personal property in 1863,	2.894 98
	<hr/>
Total,	\$10.894 98

Number of paupers at the farm Feb. 1st, 1863,	28
Average number for the year,	22
Whole number for the year,	33
Number lodged one night or more,	16
Died,	3

Your Committee are of the opinion that the farm is judiciously managed by the present Overseer. The family is composed almost wholly of aged people and children, who appear quiet and comfortable. The loss of land by the freshet in the spring of 1862 was quite large—estimated at three-fourths of an acre. Your

Committee believe that the interests of the city require that something should be done to prevent the loss of land in this way.

Respectfully submitted,

WILLIAM D. COLBY,  
MOSES H. FARNUM,  
CHARLES W. HAZELTINE, } *Committee.*

*Inventory of Property at the City Farm, February 1, 1863.*

Farm and buildings,	\$8.000 00	1 hook,	1 00
1 horse,	140 00	1 horse-rake and drag-rake,	5 00

## CHIEF ENGINEER'S REPORT.

---

*To His Honor the Mayor and Board of Aldermen of the City of Concord :*

The Chief Engineer would respectfully submit the following report, in accordance with the Ordinance of the City in relation to the Fire Department, for the fiscal year ending Feb. 1, 1863 :

The number of fires and alarms have been as follows :

February 24.—Fire at School House in Ward Four, caught from ashes in a barrel in closet ; damage trifling.

Same evening—Fire at shop of Thompson & Dennett corner of Warren and Main St., caught from defect in chimney—put out without a general alarm.

February 25.—Fire in rear of Joseph Brown's shop, Main Street, extinguished without alarm.

Same night—Fire at the Elm House, in water closet, set by paper wet in spirits and small splinters of pitch-wood—burnt a little and went out—discovered next morning.

During the same week a fire was kindled under the floor of the third story of Stickney's new Block,—burnt considerable and then went out.

These three last fires were undoubtedly the work of the same parties, and although a reward was offered and certain persons were suspected, no evidence sufficient to commit has yet been obtained.

March 23.—Fire at corner of Main and Warren Streets, small one story building, occupied by Thompson & Dennett, and owned by F. Low. Loss to building and goods, \$800. Insured.

April 6.—Fire at house of E. Wentworth, corner of Washington and Pleasant Street. Total loss, \$1,500. Insured \$1,000.

April 28.—Fire at South end of City Hall lot, "Smoky Hollow," house owned by H. M. Moore, and occupied by five Irish families. Damage to building \$200. No insurance.

May 11.—Slight fire at E. G. Kilburn's store, corner of Main Street and Free Bridge Road,—appeared to have caught in a large box of friction matches. Damage trifling. Insured.

May 30.—Slight fire at house of Mrs. S. A. Kimball, north end Main Street, caught in attic from defect in chimney. Damage \$15.

August 6.—Fire at Athenian Building, in printing office of L. L. Mower; lower floor occupied by Sinclair & Holt, as a Billiard Hall. Damages to Mower \$50, and Sinclair & Holt \$125 by fire and water. Insured.

August 7.—Fire at dwelling house of Daniel Farnum, on Little Pond Road. Buildings totally destroyed, together with one horse, all his hay and grain—most of the furniture of the house saved,—fire caught in the barn. Loss \$4,000. Insured \$2,750.

August 10.—Alarm from the burning of chimney and smoke at the old Ezra Ballard house, Little Pond Road.

Aug. 1862.—House, barn and out-buildings of Mr. Robinson, on the Dark Plains, Ward 2. Totally destroyed. Loss \$1200. Insured \$800.

September.—2 Barns with 30 tons of hay, mowing machine and other farming implements burnt, owned by John L. Tallant Esq., Ward 2. Loss \$700. No insurance.

September 13.—Fire at Millville—grist-mill and planing-mill of Geo. Frye. Damage \$2,500. Insured \$1,500.

October 18.—Fire at Stickney's Block, caught by heating through the chimney and setting the wood work on fire in the store of Mr. Kilburn. Discovered by the city watchman and put out without a general alarm. Damage \$25.

December 6.—Fire at store of E. G. Kilburn, Stickney's Block; caught the same as the one above. Damage to goods and building \$125. Insured.

January 1, 1863.—False alarm occasioned by want of care in ringing the bells.

January 3.—Fire at dwelling house formerly owned by J. L. Day, on Loudon Road, in Ward 2. Total loss of house, barn and out-buildings, together with two oxen and two cows, owned by Mr. Holt, who occupied the premises. Loss \$1,500.

December 21.—Fire at camp ground, sutler's tent, guard house, and stable burnt. Loss \$300.

December 22.—Fire at a building occupied as a barn and woodshed, rear of Main Street Ward 6, owned by Oliver Turner, and occupied by tenants, together with cow and hay. Loss \$150. Insured \$75, on building.

It will be seen by the above that the losses the past year have been mostly in the agricultural portions of the city, three entire set of farm buildings having been destroyed, two barns filled with hay &c., and a saw, planing and grist mill, the loss in all reaching at least \$10,000, a larger amount, probably than has occurred during the last twenty years, while in the main part of the city it has been very small, not amounting in the whole to more than \$2,000.

During the year Engine Co. No 4, has been disbanded and most of the members were transferred to the Steamer Co., "Gov. Hill" and the Eagle Hose Co., which have been formed during the year.

The new steam fire engine which was ordered to be purchased last year, has been located where Engine Co. No 4 originally was, which has been altered so as to accommodate the Steamer, Eagle Hose Co., and the Hook and Ladder Co. No 1, and near by, almost adjoining, has been erected a new stable for the use of the horses owned by the Centre Highway District.

There has also been purchased 1000 feet of double riveted leather hose, and 100 feet of rubber hose which are in charge of the Steamer and Eagle Hose No 1, together with what hose was originally purchased for Engine Co. No 4.

The experience of the last year has made it apparent to every person at all conversant with the situation of the compact part of the city that the money expended for the above named objects was well invested, and the question is often asked, why not change the other two engines and get another steamer?

The time may and probably will come when such a change should take place, but it is the opinion of the Board of Engineers that the situation of the fire apparatus as now located, viz: the Steamer, Hose and Hook & Ladder Cos., in the centre, and Engines No 2, and 3 at the extremes of the main village, are amply sufficient for our present necessities, and should so remain for the present.

The Board of Engineers are also of the opinion that those engines out of the main village, viz: No. 7, at East Concord, No. 6, at West Concord, and No. 8, at Fisherville, should not answer to an alarm in the centre unless specially notified.

During the past season, in accordance with a vote of the City Government, a Reservoir 70 feet long, 30 feet wide and 6 feet deep was constructed by a committee appointed for that purpose, in the

school house lot, with pipes connecting the same with the reservoir in front of the State House, and also down Main street connecting with a small reservoir in front of J. R. Hill's New Block and also with one at the corner of Main and Pleasant street. The experiment of filling the reservoir in front of the State house, during the time of the fire on the 3d inst., at Mr. John Albin's house was tried, with entire satisfaction, although it was one of the coldest nights of the season. Some slight alteration however, should be made in the Spring, when the ground opens, to prevent so much water from running to waste.

There is some complaint, and we believe justly too by the hose men connected with the various engines in the compact part of the city, that no suits of fire clothes are furnished them, that the entire pay which they receive from the city will not recompense them for the clothes destroyed, to say nothing of the exposure to their persons in going into and upon burning buildings, which every hose man is required to do as often as there is a fire. The Board of Engineers are of the opinion that they should have an additional compensation, or that they should be furnished with suits at the expense of the city, or that the Companies should be allowed a stated sum per annum for the purpose of providing them, and have them the property of the Companies. In the latter case they would be likely to be better taken care of.

The utmost harmony prevails at the present time throughout the whole Fire Department, notwithstanding the changes which have been made during the past year.

I would respectfully tender my sincere thanks to the Assistant Engineers for the promptness which they have always manifested in the discharge of their respective duties, and to all the Companies and individual members of the Concord Fire Department for the cheerfulness and alacrity with which they have performed every requirement of the Board of Engineers.

Respectfully submitted.

TRUE OSGOOD, *Chief Engineer*  
*Concord Fire Department.*

The following persons constitute the officers and members of the Fire Department at the present time.

TRUE OSGOOD, *Chief Engineer.*

*Assistant Engineers.* Caleb Parker, *Clerk,* Abel B. Holt, John M. Hill, Oscar G. Ingalls, Beza H. Lincoln, James Frye, David A. Brown, Chandler Eastman.

# The Third Annual Report of the Cemetery Committee.

*To the City Council of the City of Concord:*

The Cemetery Committee present this their Third Annual Report.

The receipts and expenditures of the Cemetery Committee from Feb. 19, 1862, to Dec. 23, 1862, have been as follows, viz: from and on account of

## BLOSSOM HILL CEMETERY.

### RECEIPTS.

Balance on hand Feb. 19, 1862,	37 68	
Received for wood and grass sold,	91 00	
of Treasurer of the City of Concord,	200 00	
	<u>          </u>	\$328 68

### EXPENDITURES.

Paid for ornamental and shade trees,	50 00	
Manure,	13 36	
moving and rebuilding wall,	57 75	
labor of men and teams,	94 88	
surveying, making plan, laying out lots, &c.	19 50	
miscellaneous expenses,	5 82	
	<u>          </u>	\$241 31
From and on account of		

## THE OLD CEMETERY.

### RECEIPTS.

From J. Brown, balance due upon final settlement, March 31, 1862, for lots sold by former Cemetery Committee,	97 00	
W. Odlin, amount collected, for lots sold, from May 24, 1860, to Nov. 5, 1862,	603 50	
	<u>          </u>	\$700 50

## EXPENDITURES.

Paid Fogg, Hadley & Co., for circulars,	3 50
N. White, for water,	9 00
T. O. Niel, for labor,	10 00
City Treasurer, on account of lots sold,	574 53
W. Odlin, for collecting,	36 21
W. Odlin, for postage, stationery, etc.,	7 34
J. Brown, amount due him for labor, etc., upon final settlement March 31, 1862,	54 61
	<hr/>
	\$695 19

From the foregoing statement it will appear that the whole receipts of the Committee during the above mentioned period, Feb. 19, 1862, to December 23d, 1862, have been

\$1,029 18

Expenditures during the same period,

936 50

Balance in hands of the Committee,

\$92 68

The whole amount received for lots sold in the old Cemetery, from March, 1855, to December 13, 1862, is

1,082 00

The whole amount expended during that period for water, gravel, moving hearse house, making paths, repairing fences, &c., is

507 47

Balance unexpended in the hands of the City Treasurer,

---

\$574 53

Five hundred dollars of this balance has been permanently invested in a 5-20 U. S. six per cent Bond.

There are still many lots in this Cemetery occupied, which have never been paid for, from the sales of which it is hoped such a further sum may be realized and added to the above amount, as to form an aggregate that shall yield an annual income sufficient to maintain its grounds and fences in good order and repair.

The whole amount received from the sale of lots in Blossom Hill Cemetery from its opening to December 23, 1862, has been (±1,790 89) seventeen hundred and ninety dollars and eighty-nine cents.

Of this amount there remains unexpended in the City Treasury,

\$1,000 89

In hands of Cemetery Committee,

92 68

---

\$1,093 57

The ordinance in relation to Cemeteries passed February 4, 1860, provides that "all money arising from the sale of lots shall be kept in a distinct fund, and the first proceeds to the amount of \$1500 shall be exclusively appropriated to adding to, improving and ornamenting the Cemetery grounds, and all proceeds after said amount shall be appropriated, one half to so improving and ornamenting the Cemetery grounds, and one half to the payment of the principal and interest of the original purchase money of said Cemetery lot, till said principal and interest be paid."

It will be seen that the receipts have exceeded the limit fixed by the ordinance, the sum of \$290 89. One half of this, therefore, (145 44) may be applied by the City Treasurer towards the payment of the debt incurred by the City in the purchase of the Cemetery grounds, leaving \$948 13 on hand, and one half of all sums hereafter received for their further improvement.

Important improvements in this Cemetery the next season are contemplated by the Committee. A contract has been made for the erection of a permanent and tasty front wall of granite to extend along the west line of Rumford Street from the gate to the south line of the Cemetery grounds. A portion of the front wall north of the gate needs rebuilding, and the wall upon the north line of the Cemetery should be extended east to the West Parish road. The Committee have also in contemplation the thorough gravelling of the avenues and walks, together with the erection of a dam across Wood's Brook, near the locality known as Indian Dell, for the purpose of raising a pond and supplying water, by means of a hydraulic ram, for the use of proprietors of lots upon the most elevated portions of the Cemetery.

Your Committee in closing would repeat the substance of a remark made in a former report, that they feel fully confident that, with proper care, this Cemetery can not only refund to the City the money advanced for its purchase and continue self-supporting, but become, in a few years, an important ornament of our City.

J. B. WALKER, *for the Committee.*

CONCORD, Dec. 23, 1862.

REPORT OF THE TRUSTEES OF THE PUBLIC LIBRARY.

FOR THE YEAR ENDING JANUARY 31, 1863.

*To the City Council of the City of Concord :*

The undersigned have the gratification of reporting the continued prosperity of the Public Library. It has long since become an *indispensable* institution of our city. It is a fountain of knowledge, and of mental improvement and enjoyment, which must never be permitted to fail.

The number of subscribers the past year has been 516.

The following donations of books have been received :

*From the Merrimack Lyceum.*—Modern Painters, 5 vols., English edition, with plates : Stones of Venice, 2 vols. ; Seven Lamps of Architecture ; History of the United States ; Essay on Classification, by Agassiz.

*From Hon. E. H. Rollins.*—Public Documents, 5 vols.

*From F. Low, Esq.*—Knitting Work, 1 vol.

*From Rev. N. Bouton.*—Two copies History of Concord.

The Report of the Treasurer is herewith presented, from which the financial condition of the Library may be seen.

Respectfully presented.

## REPORT OF THE POLICE JUSTICE.

*To His Honor the Mayor and the Board of Aldermen of the City of Concord :*

In conformity with the city charter, the Police Justice herewith submits the Tenth Annual Report.

During the period of about four months of the last fiscal year the number of civil actions entered before the late Police Justice was 2.

The number entered before the present Police Justice, subsequent to his appointment (on the 3d day of June last,) was 16, making a total of civil actions entered, 18.

The number of persons arraigned on criminal process before the late Justice during the same four months was 42.

The number arraigned before the present Justice since his appointment was 81, making a total of 123.

The character and results of the foregoing criminal prosecutions are set forth more particularly in the Report of the City Marshal.

No fines or costs received by the late Justice have come into the hands of the present Justice, and are not therefore included in this Report.

In two instances the fines and costs imposed by him but not then paid, have subsequently been paid to the present Justice, and are included in this Report.

The undersigned charges himself as follows :

Amount of fines received since June 3d, 1862,	\$166 30
Amount of fees and costs,	179 20
Amount received from sale of blank writs,	2 80
	\$348 30

And discharges himself as follows :

Paid City Marshal expenses of prosecutions,	\$107 42
Paid out for blanks, etc.,	33
Paid City Treasurer,	240 55
	\$348 30

No papers have been filed by the Special Justice with the undersigned since his appointment.

SYLVESTER DANA, *Police Justice,*

Concord, Jan. 31, 1863.

REPORT OF THE SPECIAL POLICE JUSTICE.

*To His Honor the Mayor, and the Board of Aldermen of the City of Concord :*

The Special Justice of the Police Court respectfully submits the following statement of his doings in said Court and of the money received and disbursed by him for the past year ending January 31st, 1863 :—

The whole number of criminal cases returned before him were 41—charged with the following offences, to wit :

Keeping to sell and selling intoxicating liquors,	12
Common prostitutes,	9
For violating city ordinances,	8
Assault and battery,	3
Drunkenness and disturbing the peace,	2
Rude and disorderly conduct,	2
Larceny,	2
Keeping a disorderly house,	1
Obstructing police officer,	1
Passing counterfeit money,	1

Total,	41
--------	----

Of the foregoing were sentenced to pay fines,	22
Ordered to recognize to appear at Supreme Judicial Court,	12
Discharged,	3
Sentenced to House of Reformation,	1
Sentenced to House of Correction,	1
Sentenced to Jail,	2

The Justice charges himself with the amount of fines received by him during the past year,	\$64 00
Amount of fees and costs,	33 19

Exclusive of the fines of discharged prisoners and fees and costs paid the officers' writs in the respective cases,	\$97 19
---	---------

And discharges himself as follows, to wit :

Paid City Treasurer as per receipt,	\$97 19
-------------------------------------	---------

S. C. BADGER, *Special Police Justice.*

Concord, January 31st, 1863.

REPORT OF THE CITY MARSHAL.

---

*To His Honor the Mayor, and the Aldermen of the City of Concord :*

In accordance with the requirements of the Ordinance of the city prescribing the duties of the City Marshal, I present to you the following report, for the year ending Jan. 31, 1863 :

Whole number of prosecutions instituted in behalf of the city during the year, were 141, for the following offences, to wit :
